

A WORD FROM HEAVEN

Presented by Wendy Alec

HI GUYS, IT'S ME WENDY ALEC. I'M SITTING HERE IN THE GALLEY. IT'S WONDERFUL TO BE WITH YOU AND I WANT TO CARRY ON FROM THE LAST PROGRAMME. TODAY I WANT TO PRAY FOR ANY OF YOU WHO HAVE BEEN IN A HARD PLACE, BECAUSE GOD WOKE ME UP IN THE MIDDLE OF THE NIGHT AND WHAT HE SAID WAS, "MY CHILD, I AM THE GOD OF YOUR HARD PLACES."

'I AM THE GOD OF YOUR HARD PLACES' (PART 3)

Very briefly, in case you missed the last programme, the Lord showed me someone who was going through such a battle, who had been cut, bruised and wounded, and in such a place of battle. Some for such a long time, and the Father Himself took them up in His arms and it was almost as if they had been so much in the battle and contending for such a long time, that they didn't even realise they'd been picked up.

The Lord ministered to them. He washed them. The Lord Jesus came in person and washed their feet and bound up their wounds. He turned them around and the battle scene changed into green pastures and lush rivers like an Eden. It was beautiful and the most wonderful thing about it was that instead of it being a place with jagged rocks, where the road was unclear, where they had been walking in the battle over rocks that had cut their feet and wounded them – this was a place with a smooth highway and the Lord said that for many, many of you **"The battle ground is about to change"** and, you are going to see and hear Him in a manner that you haven't experienced before.

Father, right now I want to pray for those people who have been contending; for those ones who have been in the battle; and those who have been contending for Your promises in their lives. I want to pray for those who are standing for financial breakthrough; for healing in their bodies; for a good report; for breakthrough in their marriages; for a backslidden husband or wife; for backslidden children; for teenagers; for their families; and all those standing for the dreams and visions that You have placed in their hearts.

Father I thank You for these ones and the Lord shows me, some of you have been so weary and so near fainting that even when He picked you up and held you in His arms, you didn't realise it. Now there is a transition that is happening for some of you right now in your life. Some of you have been through battles for months, even years and the Lord spoke and He said: **"Wendy, tell them, I am the God of their hard places!"**

But, the Lord didn't leave it there. He is picking you up out of the battle right now and some of you have been so used to battling that even as the Lord is picking you up, you don't even know your season is changing - but the Lord would arrest your spirit right now. For some of you today, He says **"Child you have been in the battle so long that the eyes of your understanding haven't even seen that your season is changing. I'm going to declare over you, child, son, daughter, your season is changing."** These are not just words. I see the Lord declaring over you, a shift in the spirit realm and your season is changing.

Father I just thank You for these ones and for those who have been wounded in their bodies, but even more wounded through hopelessness and dependency. They are wounded for being so battleweary and Father I ask that You would minister to these ones right now. Father I thank You for Your anointing and for Your comfort. Beloved Holy Spirit You are the Comforter and right now I ask that You would comfort and bind up the broken-hearted. Father I release the comfort of the Holy Spirit.

Father, I release the comfort of the Holy Spirit upon those who have been widowed; for those going through a divorce; and all those who are going through agony. I release the comfort and the love of the Holy Spirit upon all those who feel like their dreams seem to have come to nothing. I release the

comfort of the Holy Spirit and not only the comfort of the Holy Spirit, but fresh hope for a new beginning.

“No, no, no!” says the Lord, **“I have not left you in this situation. I have not left you or forsaken you in this situation,”** says the Lord. **“Am I not the God of Israel who will never forsake you? See My Mighty Right Hand is with you,”** says the Lord.

Even though there are those around you who would look at you and ask, “Can anything good come out of Nazareth?” And they may not have said it out loud, but you have felt in your heart that this is what they are saying. You have heard them question what good could come out of your life, saying that you have made mistakes and failed - but the Lord says **“No, no, no! The plans of man are not that plans that I have for you, My child.”**

Father I see some ministries refreshed. Father I see some ministers refreshed. I see a rebirthing of vision, a refreshing of tired limbs. Father I thank You for the ministers who have poured out their lives (and I am talking about men, but this is for women as well.) Oh Father I thank You for the sons and daughters who have ministered for Your Gospel.

Some of you are intercessors who have poured out your life, your dreams and visions to serve the Father, for the Gospel and you're faint and you're weary and you're faint hearted. But, the Lord says, **“Because you have served Me, because you have been obedient to me, because even though your strength was little, you have not forsaken Me, but have continued to pray and minister to My people, even when you felt there was nothing left in you to give and yet you have given child, even when you felt hopeless and yet you have given hope My child, even when you felt that you were so faint hearted you ministered courage, My child, I have not forgotten you,”** says the Lord.

“Even in the coming days you will see a shift and I will turn you around from the battleground and you will see green pastures and My child,” says the Lord, **“You will not only see green pastures, your feet that have been bruised, your feet that have been cut, My Son Himself will bind up your feet. My Son Himself will bind up that broken heart and those broken places in your life.”**

“My child, I Myself with My mighty right Hand will come and I will set you on the raised highway and your feet will walk on a smooth path. My child, where it has been indistinct, you will hear My Voice say to you, ‘Son this is the way, walk ye in it, Daughter this is the way, walk ye in it. You will hear My Voice and My child, you will see My promises in the Land of the Living. You will see My promises come to pass. My child it will no longer be a vision that is far away, but you shall see it even in this season and then My child, you will be faithful.”

“You who vowed to Me, that when your breakthrough came, you would minister to others and bring them hope. I heard that vow My child and I am going to take you up

on that My child, but, what you sowed in tears you will sow again in rejoicing.”

Father I thank You for these ones. Father I thank You for the shift in the Spirit. Father I thank You for the shift in the battle and right now. I take authority over the contending, over the battle of the evil one against Your sons and daughters watching. I take authority in the Name of the Lord Jesus Christ.

Dear one, I take authority over the attack and the strategies of the enemy, that he is bringing against you in your life. I break the assignment against your finances right now in the Name of the Lord Jesus Christ.

Father I thank You for the ones who have given and sowed faithfully. I thank You for recompense. I thank You for multiplication even in these coming days. Father I thank You for business deals that are waiting. For this one and that one, deals waiting to be done. Thank You Father for these. There are gold seals, keys, and Father I thank You some of these will be come even in a day.

Thank You Father, I see house deals, real estate opportunities in the Name of Jesus. Father I see investment deals. You are about to raise some people up in investment deals for Your Kingdom. Father there are men and women (and I do sense men here), I sense there are men who are being raised up right now for wealth transfer. **“There is a strong, strong anointing for wealth transfer,”** says the Lord. God is going to use you mightily in these last days for wealth transfer.

You have been contended with mightily, but it's coming, the breakthrough is coming, because the battle is not yours, the battle is the Father's. He is the God of the battle. He is the mighty warrior. He is your breakthrough. Oh Father, I thank You. I see sealed contracts, international sealed contracts coming through in the Name of Jesus.

Now Father, I break the power of addiction in the Name of the Jesus Christ of Nazareth. I break addiction off all of you who love the Lord, and keep on falling and asking the Lord, “Father why am I doing this?” Father right now in the Name of the Lord Jesus Christ, I break that addiction. I break that spirit. I say “Spirit back off right now in the name of the Lord Jesus Christ of Nazareth.” We enforce your authority Father over this life right now in the name of Jesus Christ.

Right now, you who have struggled with addiction, wanting to serve the Lord, but it's been up and down - raise your hands and start thanking the Father for your liberty. Say “Thank You Father for liberty!” Say “Thank You Father for setting me free!” Say “Thank You Father, I am a child of the Living God, thank You Father that You have delivered me from darkness into light in the Name of Jesus.”

Lord there are some healing situations here, Father I thank You for good reports in the Name of Jesus Christ of Nazareth. Father I thank You for supernatural healing. Father I thank You for a release in the supernatural, life enforcement

into those cells right now in the Name of the Lord Jesus Christ. You have stood on the Word for your healing and you have stood, and you have stood.

There are some of you who have stood and stood and still in the natural you have not seen the healing you need, but you will see it child. The devil would lie to you now and say it's been so long but the Lord says, **"No, My child, no, no! I have seen your faithfulness My child, You will have breakthrough."** Father, we just come into agreement for healing breakthrough. Thank You Father.

If there is something wrong in your body right now, stand up, and I am talking about situations where the doctor has given you a bad report. Stand up right now. Father I thank You Father, in the spirit realm for supernatural breakthrough. I see supernatural healing over you. I see healing angels coming down towards you right now. **"No it's not hopeless,"** says the Lord, **"Yes they told you it was hopeless, but I am the God who heals, they just touched My robe and they were healed. I am the same today as when I walked the earth."**

I tell you, Jesus would look at you today, beloved one and He would look at you who have stood so long and not seen any change and maybe your time seems to be running out in the natural and the Lord Jesus would just put your face in His hands and say **"Beloved, My beloved, I love you so much,"** and I see His eyes like fire looking upon you and He is so full of life, and He says to you **"I am Life, I am Life and I am about to do a cell transfusion to you,"** and He will.

Father I thank You, I thank You Jesus for healing to flow. Father I am nothing but You are everything. Thank You Father, for Your healing power. Jesus is the Healer. Jesus never changes. Jesus will heal all. Jesus was the Healer on earth, He never said no.

Now Father I thank You for the anointing, and now I want to pray for the broken hearted. I want to pray for those who feel they have been passed over. Father I ask for those who are really weary. Father I ask for those who are faint. Father I ask You for those who have been abandoned, who have been left, that You would do a supernatural miracle today, that You would give them fresh hope and Father I ask that You do a work inside their hearts. Father we release the angels, Father we release the angelic hosts to minister practically, Father I release right now, phone calls, letters, knocks on the door, divine connections that are going to change lives. The Lord says, **"Divine connections that are going to change lives!"**

You know with Rory and I, when everything looked the darkest, I remember that there was a dinner that we were almost late for, that we had no baby sitter, but if we hadn't gone to that dinner we would never have launched GOD TV into America. We were so downhearted by the time that happened, almost lacking faith by then, that we weren't even believing for this great thing when we went to that dinner, but you know what, God did it sovereignly and I want to

tell you today that if you are in a position today, where you feel that your faith isn't strong enough, that God cannot do anything for you, that the Lord would look at you today and He would say **"Child, no, no, no, child, I am bigger than your faith. I love it when you have faith and I need you to speak My word, but remember when I carried you in My arms."**

Even in times when you might not have faith, the Lord is so mighty. He didn't say it was your battle, He said it was His battle and so today when you feel like you don't have faith for the future, or faith to believe for good things to happen to you anymore, God wants to tell you that He has faith for you. He has faith for you. Today He says, **"My child, I have faith for you, I have faith for you. I faith for you."** These are the words of the Living God to your spirit, beloved one, He has faith for you.

So, Father right now, I loose in the spirit realm, upon Your command, on Your instruction, practical, divine connections. Dear one, we loose these over your life in the spirit realm. We loose them prophetically over your life, over your house, over your family right now, right where you are sitting. We loose divine connections for phone calls, that will change lives, a phone call with news that will change your Life for the better, a contract that will change your life, a letter that will change your life, a meeting that may be a chance meeting to you, but not to God, it will change your life!

So Father we release Your angelic host, Your wonderful angelic host to move as ministers, as stewards of all of us who are partakers and heirs of salvation through Jesus Christ. We thank You for the great sound of Heaven, the mighty rushing sound of the angelic host, Father, for divine connection, for divine encouragement, for divine inspiration, for supernatural encounters in the Land of the Living. Father I lift up all these ones, these wonderful viewers that we have, I lift them all up to You. You know every need. Holy Spirit You are wonderful, You know every need. And Father I thank You would meet every desire of the heart, as it lines up with You Father, in the Name of the Lord Jesus Christ of Nazareth.

Father just before we go, we want to tell You how much we love You, in the words of that great hymn "Immortal, invisible, God only wise, In light inaccessible hid from our eyes, Most blessed, most glorious, the Ancient of Days, Almighty, victorious, thy great name we praise."

Father You are wonderful and we thank You for who You are. Thank You for looking after us when we couldn't look after ourselves. Thank You for holding us when we couldn't hold ourselves up. Father we are so grateful and we thank You Father, Your mercy endures forever, Your loving kindness never fails and your compassions are new every morning. Thank You Father.

Amen.
